RUTH HADFIELD, BSC, PHD, GCBIOSTAT

Ruth established her medical writing practice in 2012. She qualified with her PhD (DPhil Clinical Medicine) from the University of Oxford in 2000. Her four year post-doctoral fellowship at the University of Sydney focused on population-based epidemiological studies using big data. Ruth has also worked in the not-for-profit sector in the area of medical research communication to both the general public and health care professionals. Ruth has a track-record of coordinating multi-disciplinary groups across multiple countries and time zones.

Ruth has broad experience in a wide range of therapeutic areas. A detailed list of areas is included at www.mediwrite.com.au
